22 oz (624 grams)

The Power of Tea Tree Oil... Airborne!

Tea Tree Power safely and effectively cleanses the surrounding air in a variety of applications by way of a unique formula containing pure Australian Tea Tree Oil and other natural ingredients. The powerful microscopic vapors circulate and work to neutralize airborne bacterial and mold contamination and prevent mildew growth on surfaces.

Tea Tree Power can be used in homes, vehicles, boats & RV's, athletic areas, schools, healthcare applications and anywhere cleaner air is desired.

Long-Lasting Mold & Odor Protection

Directions: Pour contents into an original container, replace lid and place wherever needed. Great in lockers, compartments, and all living spaces. For best results reuse existing containers.

Non-Toxic, Biodegradable
