Over thirty experienced offshore Leisure Furl Voyagers joined members of the Forespar crew and sailing media during the Annapolis boat show to kick-off the new Leisure Furl Voyagers Group.

This special event honored the first Leisure Furl Voyagers with a home cooked dinner, great speakers, Voyager swag and a lot of great sailing conversation.

Forespar's new Leisure Furl Voyagers Group was recently created to help build brand credibility by honoring sailors who have logged at least 1000 miles using Leisure Furl. As a Voyager, they become part of an elite group of offshore sailors who exchange useful cruising information through the Voyager communication network. They also receive some great FREE Voyager swag to highlight their offshore experience.
