Pure Water Has Never Been So Simple™

Announcing the [PureWater+ by forespar](#) Making Its Debut  
at the [46th](#) Newport International Boat Show  
This Weekend - September 15-17

Visit Us In Newport - Tent D-Booth #11 or [BUY NOW](#)

Ideal for on board boats and RV's, the new PureWater+ by Forespar® combines space-saving sensibility with ease-of-use filter changes through a patented quick-connect design all performed above the countertop. The PureWater+ does not require under-counter filter access or a reservoir apparatus similar to other plumbed-in water purifiers, all with the full protection of carbon-block filtration.

### The New PureWater+ by forespar:

- Easy to install and maintain
- Attractive solid brass chrome faucet
- Filter cartridge life up to 350 gallons or three months
- Additional .5 Micron Filter for enhanced purification
- Replacement filtration available in Standard 5 Micron or Enhanced .5 Micron also available
- WQA GOLDSEAL CERTIFIED

## With the PureWater+:

- Experience a refreshing glass of water, savory cup of coffee or no-odor ice...
- No more embarrassing tank-tasting drinking water in your galley...
- No need to purchase and transport cases and jugs of water...
- No more leftover plastic bottles or jug disposal problems...
- Purifies hundreds of gallons of water per filter!
