Whisker Pole Cash Rebate May 1st to July 7th

Now is the time to sell Whisker Poles. Forespar's Whisker Pole cash rebate offer runs from May 1st to July 7th, and is designed to make it easy for our dealers. This is a cash rebate sent directly to your customer from Forespar, so as a dealer, all you have to do is print out the attached forms and hand them to your customers. They take care of filling it out and sending it to Forespar for reimbursement.

New Marelon Watertight Bulkhead Fittings

Our new Marelon Watertight Bulkhead fittings are designed to create a leak-free passageway through watertight bulkheads for plumbing and electrical wires. Available in a wide variety of barb or thread and straight or elbow configurations, they can be adjusted for bulkhead thicknesses up to 1 1/4". Highly adaptable, they can be assembled to fit almost any space using Marelon adaptors, tailpipes, elbows, valves or standard hoses.

Introduced in 2012, our white colored Vented Loops are catching on with OEM customers who are looking for a clean and fresh look for their motor compartments and engine rooms. Manufactured to the same specs as our original black color Vented Loops, these white versions offer one more way for your boat builders to separate their brand from the competition.
