The Beauty Of Offshore Sailing With Electric Leisure Furl

Baltic Yachts are known for spectacular lines and swift performance. During a recent major refit, the Baltic 43, *Who Wander*, added a sleek new [Electric Leisure Furl Offshore](#) system to make sailing a breeze.

Delivery Captain, Fred Probst, had the privilege of delivering this beauty from the Dion Yacht Yard in Massachusetts to her home in Annapolis, MD. According to Fred, "I had the pleasure of operating another boat equipped with Leisure Furl and this passage cemented my view that [Leisure Furl](#) mainsail reefing is easily the best system available for larger boats or yachts sailing shorthanded."
