Are You A Leisure Furl Voyager?

Show Your Miles With A Free Lapel Pin

If you have sailed enough offshore miles to be a Leisure Furl Voyager, why not show the world?

For a limited time we are offering a free lapel pin to all current or new Voyager members.

The Leisure Furl Voyager Club is a group of certified offshore sailors that have logged over 1000 miles while using a Leisure Furl in-boom mainsail system. If you qualify, please contact us to become a member and receive your free Voyager swag.

New Leisure Furls On Cats and Monohulls This Spring

Leopard 58'

This large cat was recently launched in Ft. Lauderdale sporting a beautiful new Leisure Furl In-boom system. The

owner reported that the system is a great convenience on a cat of this size, allowing him to hoist the sails more often than he normally would with such a heavy mainsail.

From a Corsair 24' trimaran, to the large Kelsall 77' cat, Forespar has a great deal of experience with fitting Leisure Furl systems on almost any multihull boat.

Oyster 56

Bennett Brothers will soon be launching an Oyster 56 with a new Leisure Furl. The boat is a major refit, and will make a wonderful cruiser.

Why Leisure Furl?

Check out this video to see exactly how helpful and easy Leisure Furl can be for your customers to hoist and control their main.
