

New Morris 42x Highlights Performance Advantages

Life doesn't have to be a compromise. This stunning new Morris 42x, "Ranger", is a perfect example.

With its traditional beauty and modern

performance and comfort, she is a perfect example of technology combined with elegance. Technology that includes a custom Carbon Leisure Furl In-Boom system to tame the main without compromising sail shape.

See How Leisure Furl Tamed This Cat At Annapolis

Rigged with a custom Leisure Furl In-Boom system, the new Royal Cape 53 catamaran, "Adia", completed her maiden voyage from South Africa to America just in time for Annapolis.

According to the owner, "The trip was good (and rough) but everything worked great. The Leisure Furl went up and down without issues"

Be sure to check this enormous cat her out at the show to see how Leisure Furl helped tame both her mainsail and the Atlantic.
