

It's Showtime!

See Leisure Furl at the Newport & Annapolis Shows

Coming to the [Newport](#) or [Annapolis](#) boat shows? Look for the Forespar booth in the tents and let us show you all the advantages and options a Leisure Furl In-Boom Furling System offers cruisers and racers alike.

Easier and safer than hoisting and flaking a mainsail the old fashion way, [Leisure Furl](#) is the world's leading in-boom furling brand with models and features for boats from 25' LOA and up.

[At Annapolis - Tent C-69](#)

Leisure Furl Installed at the Show

Look for Leisure Furl installed on the newly arrived Royal Cape 530 catamaran at the Annapolis boat show. This is a spectacular example of how Leisure Furl can help tame the heavy and fully battened mainsails of almost any size cat.

Push Button Mainsail Control

Electric Leisure Furl

For the ultimate in sailing safety and convenience, look at Leisure Furl's electrically activated push-button model. It allows you to raise, furl and douse the mainsail with the push of a button.

Electric Leisure Furl also offers numerous built-in safety features not offered by our competitors. This includes our unique manual override system that uses a standard

winch handle and can be easily accessed no matter what point of sail you are on. Compare the difference and you'll see why

Electric Leisure Furl is superior for safety, sail shape and ease-of-use.
