### Contributions Made To Community Sailing In Bill Mosher's Name

Milwaukee Community Sailing Center Receives Over \$7000 To Foster Youth Sailing & Renames Annual Lobster Boil Fundraiser In His Honor

Rancho Santa Margarita, CA / Milwaukee, WI - [Forespar Products](#) and the Milwaukee Community Sailing Center combined to raise a total of \$7215 in funds to honor long time industry professional, William (Bill) Mosher. These contributions reflect individual donations from Forespar employees and Milwaukee Community Sailing Center members, as well as a matching donation from Forespar based on the received amount. Additionally, the Milwaukee Community Sailing Center announced that it will rename their annual lobster boil fundraiser in Bill's honor.

Hired as the original Executive Director of the Milwaukee Community Sailing Center in 1979, Bill was a strong force in establishing and driving the organization forward throughout the years. When he unexpectedly passed away in July 2015, Forespar offered to donate matching funds for donations made to the MCSC in Bill's name. One year later the campaign's funds have been realized and more than \$7000 of total donations will be used to help fund a successful STEM (Science, Technology, Engineering & Math) youth sailing program and a portion of a "new" safety boat.

The Milwaukee Community Sailing Center has also decided to rename its popular annual lobster boil fundraiser in Bill's honor. Now known as the **Bill Mosher Memorial Lobsta Boil**, the event will be held on the MCSC grounds, August 27th. A memorial "rock" and plaque will be dedicated to Bill's lifelong efforts at the event.
