New refillable - reusable compressed air sprayer

#770006 32oz. Refill / Air Chuck / #770005 11oz. Sprayer

Forespar® LanoCote® is now available to our OEM customers in a refillable compressed air bottle/sprayer. The compressed air dispenser comes filled with 11oz. of LanoCote® and a 32oz. refill jug. This package replaces the original 7oz. aerosol cans (#770002) and gives you more usable product for the money. The 32oz. refill jugs are more economical as well.

#770005 Package includes one reusable compressed air bottle with 11oz. of LanoCote inside and one 32oz. refill. Fill with air and you're ready to spray! \$33.32 net.

#770006 32oz LanoCote® refills for above - \$9.95 net.

#770008 1/4" NPT Air Chuck (for compressed air nipple on #770005 air bottle) \$3.50 net.
