An Easy Way To REACH™ Maintenance Customers

Marine valves need lubrication too! Now Forespar offers a good way to tap into this often overlooked maintenance item with the new MareLube™ REACH kit. The new kit makes it easy to lubricate tough-to-reach valves and seacocks using a pre-loaded syringe of MareLube Valve lubricant and extension tube. It has been getting rave reviews from boat owners.

MareLube REACH kit includes: pre-loaded application syringe, extension hose and applicator brush.

MareLube REACH - part #: 770049 - \$12.95

New Quick Davit™ System Is An Affordable Dinghy Storage Option

Perfect for the price sensitive boater, Forespar's new Quick Davit kit offers power boaters a compact and easy-to-install dinghy storage option using their swim platform. A hinged type davit system, Quick Davit quickly connects the edge of the dinghy to the back edge of almost any swim platform. Once connected, the dinghy is simply tipped upwards onto the platform deck and out of the water.

Quick Davit Full Kit - part #: 153470 - \$389.00

Quick Davit Fast (Quick Removal) Kit - part #: 153477 - \$98.00

Challenging The Everglades In A Legend's Boat

Once a year, small sailboats and kayaks take on a big adventure during the Everglades Challenge from St. Petersburg to Key Largo. This year Forespar donated two Marelon® Winches to longtime sales associate, Bill Wright, to help him restore a legendary boat for the event. "Hot Canary" was originally built and raced for the "EC" by West System® founders, Jan & Mead Gougeon.

Swan Owner's BVI Rally Sponsored By Forespar

When Forespar fan and Swan Owner Group President, Bob Beltano, asked for sponsorship support for their annual BVI rally, we were glad to help. As the proud owner of Nai'a, a Swan 52, Bob routinely uses both his Forespar Leisure Furl™ boom and carbon fiber spinnaker pole.

Event sponsorships like this are a great way for us to increase Forespar brand awareness to a perfectly targeted audience of potential customers.
