Tea Tree Power®

Airborne Mold & Odor Eliminator

We Fix Bad Air!

Tea Tree Power safely and effectively cleanses the surrounding air in a variety of applications by way of a unique formula containing pure Australian Tea Tree Oil and other natural ingredients. The powerful microscopic vapors circulate and work to neutralize airborne bacterial and mold contamination and prevent mildew growth on surfaces. Tea Tree Power® can be used in homes, vehicles, boats & RV's, athletic areas, schools, healthcare applications and anywhere cleaner air is desired.

- Controls Mold, Bacteria & Odors
- Long-Lasting Protection
- All Natural - Safe - Effective
- Easy To Use - Just Open
